

PHOTOFILE: MELBOURNE, VICTORIA

The following images are for the interest of visitors to the Brecknock Consulting site. The images are not projects that we were involved in but we are pleased to be able to provide them as an overview of the work to be seen in the public places.

Disclaimer: The artworks have been selected to show the diversity of public art, not necessarily artistic merit. We have attempted wherever possible to ensure that the artists are properly attributed and apologies for any discrepancy or oversight. Unless otherwise stated the photographs are by Brecknock Consulting.
